

First Circular

Dear Friends,

We're glad our MAGIC web pages are up and running, so you can receive the most up-to-date information on the Workshop. We will post information updates and new circulars on [MAGIC Workshop Circulars page](#). Please visit that page soon to have the most recent information.

There are two ways to register for a workshop (deadline is September 15, 2000): either complete online registration form or send your information directly to john@crdlx5.yerphi.am, [Mr. Hovhannes Vardanian](#).

Workshop registration fee is USD300 that is to be paid upon arrival at registration desk. Fee covers workshop materials, full room and board at Nor-Amberd Conference Center Hotel, excursions and trips (to Yerevan, Ashtarak Winery, Oshakan, Echmiadzin City and Cathedral, Nor-Amberd Castle, and Aragats High Altitude Cosmic Ray Station), and conference dinner.

Nor-Amberd is one of the most splendid places in Armenia that is widely popular as a resort. It is located on altitude of 2000m above the sea level. Climate is mild even during the hottest Summers (as was this year). Autumn season is the most beautiful and pleasant season in Nor-Amberd. Usual day temperature in that season is around 18°C. Nights are fresh, thus we advice to get with you some warm clothes.

Contact person for MAGIC Workshop is Mr. Hovhannes Vardanian. Please feel free to contact him at john@crdlx5.yerphi.am with your questions and comments.
