To travel to Armenia, you should obtain a visa from the Embassy or Consulate of the Republic of Armenia in your country.

To obtain a visa through the Embassy you would need to submit a visa application ( [PDF form](#), or [MS Word 2000 form](#)), a recent passport-size photo (color or B/W), original passport valid for 4 months, and money order or certified check payable to the Embassy of Armenia (Embassy doesn't accept cash or personal checks).

Ordinary visa costs \$60 (up to three week stay). Fees vary depending on the duration of stay (from \$18 for a three day transit visa to \$90 for an up to three months multiple entry visa--requires an official invitation).
